LORD BALTIMORE GOES TO NORFOLK

Chasers Help Steamer When Engine Trouble Halts Trip.

After having been thrown off her schedule because of engine trouble Friday between Norfolk and Washington, the steamer Lord Baltimore left here at 8:45 o'clock last night for Norfolk so as to leave there on the return trip at 8:30 o'clock this morning, her schedule time. At the same hour her sister steamer, the Penn, will leave here for Norfolk as usual.

Th Lord Baltimore, which was due to arrive in Washington at 7:45 o'clock Friday night, experienced engine trouble between Norfolk and Colonial Beach.

The Navy Department sent a large submarine chaser to her aid, and at 3:30 o'clock yesterday morning two small submarine chasers were dispatched to transfer the passengers to Pope's Creek, Md. At 5:30 o'clock about 340 excursionists from the steamer boarded a train, arriving here at 8:30 o'clock.
